COLORFUL

A trend for all outdoor situations, from village house to grand café. The lightweight aluminium structure allows easy handling while the neutral language of its form takes nothing away from the scenery.

This chair pays respect to the long standing codes of metal stacking outdoor chairs while gently refreshing the look.

CONTEMPORARY CLASSIC

Like an architecture that is in keeping with its surroundings, has a natural lightness and elegance. The design of the artisan braiding, the sturdiness of the aluminium frame and the new rope collection create a combination that oozes energy.

HANDMADE WEAVING

We used just the right amount of outdoor rope with a alu frame. It doesn't have the same modernist spirit as the Basket but it's familiar enough that, when you get close, it stirs a memory and makes you feel at home. That's what it was, more or less—an object of memory.

NATURAL SUNSHINE
